WE'RE HIRING!

ASSOCIATE INTERNSHIP

The SearchAsia Experience

100% Client Focused, Proven Trust & Integrity

Our commitment to our clients is to go beyond recruitment and into business partnership; we take pride in representing our clients and are proactive in participating in their growth. By providing thought leadership and guidance, we assist our business partners to navigate and manage the lucrative, but highly complex and uncertain markets of Asia Pacific.

With our headquarters based in Singapore, and a network of offices in Asia Pacific (Singapore, Malaysia, Taiwan, Hong Kong, and China), we stand in good stead to secure the best talent and propel our clients' business in this relentless but opportunity-bound region.

ASSOCIATE INTERNSHIP

The SearchAsia Associate Internship is a 10 to 12-week internship program where interns undergo a rigorous learning process and develop their business acumen.

At SearchAsia, we believe that students should be challenged with full-time internship exposure which provides a more hands-on career-building experience. That's why we hire outstanding students – potential leaders who are able to make positive contributions to our business in both the short and long haul. At the end of this program, interns who have shown outstanding performance will enjoy a headstart in our selection process for the full-time positions upon graduation.

Regardless of your field of study, if you are keen to experience the "*people business*", **SearchAsia welcomes you!**

The Selection Criteria

If you're a team player with an entrepreneurial mindset, we want you to become part of our highly selective team.

- Undergraduate students in ANY field
- High persistence and optimism
- Excellent written and spoken communication
- Self-driven with proven track record of setting goals, multi-tasking and getting things done effectively and efficiently and as part of a team
- Ability to work creatively and thrive in a fast paced environment

Opportunities are now available in our Hong Kong office. Please email your latest resume to **Jessica Cheng**.
