### Our team

We are travelers, innovators, doers and thinkers. We are open and collaborative, we are dedicated and passionate – we work hard, then play hard. We believe that education can break down the barriers of language, culture and geography and we are proud of the role that we can play in that.

### You

THINK BIG! You are driven to succeed and will always go the extra mile for your customers, friends and family. You are focused on getting great results, but you don't forget to have a good time whilst getting there. You are outgoing and positive. You are great at whatever you put your mind to, but that never makes you arrogant. You believe that by being hands-on and getting stuck in, nothing is impossible. You are passionate about travelling and meeting people from all over the world.
